

Metal Cable Tie – Tyco Re-Usable – 316SS Coated

Tyco's 316 Stainless Steel Coated Cable ties are very quick and easy to use and can be used more than once. Because they are Coated these cable ties are extremely non-corrosive, making them highly suited to aggressive corrosive environments, such as marine cable bundling.

PERFORMANCE	Strength	Temperature	Speed	Weathering	Chemical	Dynamic Range

Applications

- Chemical Industry
- Offshore
- Fixing Identification
- Shipyards

Certifications

Materials – see section 10.3

- W5** 316 SS with PPA coating

Installation Tools – see section 9.1
